

AGENDA

DAY 01
Thursday, 29th February 2024

29th
 FEB
 2024

01st
 MAR
 2024

REGISTRATION & BREAKFAST

08.00 AM

9:00 AM to 10.30 AM
INAUGURAL CEREMONY

INAUGURAL TALKS

Chief Guest

Dr. Rajeev Singh Raghuvanshi
 DCGI

Guests of Honor

Dr. Twan Lammers
 President, CRS

Dr. Christine Allen
 Past President, CRS

- ▶ CRSIC's Lifetime Achievement Award Ceremony
- ▶ Release of Abstract Book & CRS Newsletter

10.30 AM to 11.05 AM
KEYNOTE ADDRESS

Advancing cancer nanomedicine clinical translation

Dr. Twan Lammers

Professor & Head, RWTH Aachen University, Germany

Tea Break & Poster Presentation

11.05 AM

SCIENTIFIC SESSIONS

12.00 PM to 12.35 PM
SCIENTIFIC SESSION - 1

Revolutionizing localized delivery strategies for inoperable pancreatic cancer

Dr. Kara Vine-Perrow

Professor, University of Wollongong, Australia

12.35 PM to 1.10 PM
SCIENTIFIC SESSION - 2

QbD and CMC considerations in the scale-up of nanomedicines manufacturing

Dai Hayward

CEO, Micropore Technologies Ltd., United Kingdom

Lunch Break & Poster Presentation

01.10 PM

TECH SHOWCASES

- 2.30 PM to 2.50 PM | Tech Showcase Presentation I: ABITEC Corporation
- 2.50 PM to 3.10 PM | Tech Showcase Presentation II: SOLIZE India Technologies Pvt. Ltd.
- 3.10 PM to 3.30 PM | Tech Showcase Presentation III: SAHAJANAND Medical Technologies Ltd.
- 3.30 PM to 3.50 PM | Tech Showcase Presentation IV: BASF India Ltd.

Tea Break & Poster Presentation

03.50 PM

SCIENTIFIC SESSIONS

4.30 PM to 5.05 PM
SCIENTIFIC SESSION - 3

Porous materials-based scaffolds and implants for local drug delivery and tissue regeneration

Dr. Tushar Kumeria

Scientia Senior Lecturer, University of New South Wales, Australia

5.05 PM to 5.40 PM
SCIENTIFIC SESSION - 4

Development of topical products - Translational regulatory sciences

Dr. Yousuf Mohammed

Senior Research Fellow, University of Queensland, Brisbane, Australia

5.40 PM to 6.15 PM
SCIENTIFIC SESSION - 5

Reimagining Drug Delivery: The role of AI and automation

Dr. Christine Allen

Professor & Leslie Dan Faculty of Pharmacy, University of Toronto, Canada

Poster Presentation

6.15 PM to 8.00 PM

OUR SPONSORS

REGISTRATION & BREAKFAST

08.00 AM

SCIENTIFIC SESSIONS

8:30 AM to 9.05 AM

SCIENTIFIC SESSION – 6

Multimodal polypeptide-based therapeutics by-passing challenging biological barriers

Dr. María J. Vicent

Professor, Prince Felipe Research Center (CIPF), Spain

9.05 AM to 9.40 AM

SCIENTIFIC SESSION – 7

Enabling oral delivery of peptides by customizing SNEDDS

Dr. Anette Müllertz

Professor, University of Copenhagen, Denmark

9.40 AM to 10.15 AM

SCIENTIFIC SESSION – 8

Gut hormone stimulation in oral drug delivery: A novel therapeutic approach in the treatment of gastrointestinal disorders

Dr. Ana Beloqui García

Associate Professor, Université catholique de Louvain, Belgium

Tea Break & Poster Presentation

10.15 AM

SCIENTIFIC SESSIONS

11.15 AM to 11.50 AM

SCIENTIFIC SESSION – 9

The quest for next generation lipid nanoparticles for cell-specific delivery of mRNA

Dr. Gaurav Sahay

Professor, Oregon State University, United States

11.50 AM to 12.25 PM

SCIENTIFIC SESSION – 10

Development of vaccines/nanovaccines for multi-drug resistant diarrhoea

Dr. Dharendra S. Katti

Rajeeva and Sangeeta Lahri Chair Professor, Indian Institute of Technology, Kanpur, India

12.25 PM to 1.00 PM

SCIENTIFIC SESSION – 11

Innovations in sustained-release biologics to address unmet needs in treating ocular diseases

Dr. Raghu Raj Singh Thakur

Professor, Queen's University, Belfast, Northern Ireland

Lunch Break & Poster Presentation

01.00 PM

TECH SHOWCASES

2.10 PM to 2.30 PM

Tech Showcase Presentation V: SHIN ETSU Chemical Tylose India Pvt. Ltd.

2.30 PM to 2.50 PM

Tech Showcase Presentation VI: HORIBA India Pvt. Ltd.

2.50 PM to 3.10 PM

Tech Showcase Presentation VII: COLORCON Asia Pvt. Ltd.

3.10 PM to 3.30 PM

Tech Showcase Presentation VIII: CRODA India Company Pvt. Ltd.

SCIENTIFIC SESSIONS

3.30 PM to 4.05 PM

SCIENTIFIC SESSION – 12

Use of excipients in paediatrics: Better safe than sorry!

Dr. Smita Salunke

EuPFI Chief Scientific Officer, University College London School of Pharmacy, United Kingdom

4.05 PM to 4.40 PM

SCIENTIFIC SESSION – 13

Next-generation immunomodulatory therapies for rare and inflammatory diseases

Soujanya Bhumkar

Co-founder, GENIE Lifesciences Inc., Palo Alto, CA, United States

Tea Break & Poster Presentation

04.40 PM

5.00 PM to 5.15 PM

VALEDICTORY FUNCTION

'Professor H. L. Bhalla Young Scientist' Award

'Best Posters' Award Ceremony
