

CALL FOR PROPOSALS

To Host
A National-Level Scientific Event

Under the Aegis of

About CRSIC

The Controlled Release Society Indian Chapter is one of India's most vibrant pharmaceutical organizations, committed to advancing the science & technology of controlled release systems, fostering innovation in drug delivery, & strengthening academic-industry collaboration across the nation. For nearly three decades, CRSIC has served as a platform for researchers, academicians, clinicians, & industry professionals working in the field of pharmaceutical sciences & advanced therapeutics.

INVITATION FOR COLLABORATION

CRSIC invites Universities, Colleges, Research Institutes & Professional/ Scientific Organizations to submit proposals for hosting:

- » National-Level Seminar
- » Scientific Symposium
- » Hands-on Workshop

- » Conference
- » Training Program
- » Industry-Academia Interaction Meets

INDICATIVE FOCUS AREAS (but are not limited to)

- » Novel Drug Delivery Systems
- » Controlled & Targeted Drug Delivery
- » Nanotechnology & Nanomedicine
- » Biologics & Advanced Therapeutics
- » Translational Research & Scale-Up
- » Regulatory Affairs & Industry Perspectives
- » Pharmaceutical Product Development
- » AI & Computational Approaches in Drug Delivery
- » Clinical Translation of Advanced Formulations

BENEFITS OF CO-HOSTING WITH CRSIC

Partnering with CRSIC offers significant academic & professional advantages:

- » Alignment with an internationally acknowledged ecosystem in drug delivery & controlled release
- » Enhanced academic credibility, visibility, & institutional prestige
- » Structured engagement with leading researchers, clinicians & industry experts
- » Opportunities for meaningful academia-industry collaboration & networking
- » Increased pull for sponsorships, partnerships & collaborations
- » Co-branding & promotion through CRSIC platforms
- » Sponsorship support by CRSIC
